

Technical Notice

Date: 29th November 2008
Subject: Data Centre Migration Status
Sent from: Technical Operations

Message:

Chi-X Europe Ltd (Chi-X) is pleased to confirm that today's testing has been successful and that the Equinix Slough site will be the primary Data Centre effective immediately.

Participants are welcome to test their connectivity to the new data centre. However, Participants connecting through extranet providers do not need to make any changes to their systems.

Chi-X Operations will be available to address any queries or to assist in connectivity testing from 12:00-17:00 UK time today.

Any queries regarding this notice should be directed to:
